We Work for You

Automatic Gate Resource Center is a comprehensive online reference on automated gates.

We help consumers conduct research, and design and, ultimately, get a high quality, safe, and beautiful automatic gate system installed.

Our ultimate aim is to **connect** educated consumers with quality trade professionals so that you can work together to create a quality and attractive automatic gate you can both be proud of.

We Connect You

Membership

Through the various resources and community aspects at AGRC, you can expand your own gate installation and service knowledge and, with your contributions, you can help others in our field expand their knowledge.

Learning and sharing ideas and information helps to raise the bar of professionalism and competence in our field.

GET IN TOUCH WITH AGRC

- Have a compliment, complaint, question, technical issue, or just want to say "hi"? We want to hear from you.

Direct Benefits

Membership

Here at AGRC, we want to foster an environment of cooperation between our members.

We believe that, together, we can grow and cement our positions as industry leaders.

1. Our huge consumer knowledge base educates consumers who come to you as **Quality Leads**
2. Access our collective knowledge on the "how to's" of the installation in our **Knowledge Base**
3. Grab gate equipment manuals from our **Manual Database**
4. Stay up-to-date with **Industry News**
5. Tell customers about your AGRC membership and your commitment to your field with our member logo
6. Bounce ideas off of each other and formulate solutions with the help of others in the **Online Forum**
7. We can help you solve technical installation or repair issues through **Technical Support**
8. Our goal is to help you increase sales through **Sales Support**
9. Lead your customers through design with our extensive **Gate Pictures Gallery**
10. Get special vendor and manufacturer **Discounts**
11. Discover Industry insights and advice on the **AGRC Blog**
12. Coming Soon: Get **Online Technical Training** on service and installation
13. Coming Soon: Read and share **Product Reviews**
14. Coming Soon: Get seen by more customers with a **Profile** on AGRC

BONUS: Don't compete with the whole world. Our **Limited Lead Distribution** promise is that we only share each lead with 3 partner members in the customer's local area.

*Our ultimate aim is to connect educated consumers
with quality trade professionals.*

AGRC consumers who fill out one of our contact forms have a **much** better understanding of what they want than does your typical tire-kicker.

Comparison

One way to really see the value of an AGRC membership is to see how we stack up against similar sites.

It's a somewhat unfair comparison because other sites don't offer nearly the range and wealth of benefits as AGRC.

Still and all, we've listed them here for your reference and convenience.

**Comparison pricing may not reflect current prices.*

Monthly Fee	--	?	Up to \$49	\$29.95 to \$39.95
Cost per Lead	\$3 to \$30	\$33 to \$42	?	\$10 to \$25

Membership Guidelines:

- See our list of [Direct Benefits](#).
- Monthly fees are automatically billed every month unless cancelled.
- Annual charges are automatically billed every 12 month unless cancelled.
- Should you ever wish to cancel, simply [let us know](#) and your subscription will end on the last day of the current membership period for which you've paid.

Lead Guarantee:

If any lead is completely fruitless—i.e. the potential customer is not interested in getting an estimate from you now or ever—you can submit a written request for credit, which will be reviewed. As part of the review process, we will contact the customer to see if they need any further assistance.

We believe that we can grow together and cement our positions as industry leaders.
